MICHAEL W. BOBBINS
CLERK, U.S. DISTRICT COURT

12/26/07

07 C 6798

See this is the problem and I see how you guys got things mixed up and I apologize this is what happened, I got 3 years for a Cook County case and got it run concurrent with Kane County cases and was ~~paroled~~ paroled out both of the sentences was 3 years and I DOC sent me to pinckneyville to get paid off of me consecutively and the profit is in my paperwork, I have two different good times, I have 2 different paroles, and 2 different outdates I DOC made me do an extra 61 days and gave me 2 years parole but I had already started parole along time ago 4/5/05 and parole never came and seen me in the ~~pen~~ penitentiary they just gave me fresh parole as if I was on a new case and parole was suppose to end 7/12/07 but how is that when case sentence itself is over 4/5/07, so the extra time I did was suppose to be subtracted from parole cause you get credited day for day that your in custody cause I was on parole for the concurrent sentence I was doing so in actuality I know I get compensated for the extra time I did but the parole was suppose to subtract something cause I

was in there custody without seeing the parole board
all of this I went through was a stunt pulled by
IDOC to get an extra check off of me and it
shows how the justice system itself is not concerned with
guilt or innocence its concerned with getting paid the profit
thats hard core is the calculation sheet for good time
I sent you cause it doesnt have the Cook County case
number on there want to know why cause I already
received good time and was on parole for the Cook County
case but it was ran concurrent with Kane County
and IDOC ~~sent~~ ^{seem} an opportunity and went with it, I
want to file a counter suit with the Governor and Director
Walker of IDOC how do I add them in my suit? and
I have proof of 2 good times, 2 outdates, and 2 paroles
on a concurrent sentence, so please help me, I hope you understand
now and want let whoever defending the ~~defendants~~ defendants
try to cover up there paper ~~trail~~ trail cause I have copies
I dont know much about the law but I do know whats
right and what I plead to, and what was suppose to happen that
didn't. So I am asking for your help this is the only way I
know how to explain my situation but I know I need to
give you more so I hope this helps I will get back to you
soon and I hope you do to. OK

Sincerely

Dwight Eugene Thomas

Respectfully Submitted

Thank You

I have
more paperwork
